Wilton Fire Department First Responders Receive Equipment Grant from Firehouse Subs Public Safety Foundation

Grant is part of more than \$75 million given by Firehouse Subs Public Safety Foundation to public safety organizations across the U.S.

WILTON, NH – Wilton Fire Department recently received a \$16,206.00 grant from the Firehouse Subs Public Safety Foundation to purchase a new battery-operated rescue tool and equipment. This critical equipment will allow our first responders to be better prepared in emergency situations and protect the citizens of Wilton, New Hampshire to the best of our abilities.

“On behalf of the Wilton Fire Department and its members, I want to thank the Firehouse Subs Public Safety Foundation and our local Firehouse Subs in Manchester, NH,” said Chief Don Nourse. “We are incredibly humbled to receive this vital equipment to continue to keep Wilton, NH and surrounding communities safe.”

The new rescue tool will be used to enable us to replace a 40-year-old piece of obsolete equipment on our Engine 2, greatly enhancing our rescue capabilities. When minutes count, having the right tools in the right hands makes all the difference.
